

World Environment Day Selfie Competition

When: June 1 - June 7

How it works:

- Community residents are encouraged to recycle their glass between June 1 & June 7 and post a selfie doing so on Instagram or Facebook
 - Selfies can be posted on the user's Instagram or Facebook Story or on the Instagram or Facebook Feed
- Posts **MUST** include the following tag and hashtag:
 - Instagram: @oi_glass or
 - Facebook: @OIGlass
 - #G4GDanville
- The G4G community with the most posts between June 1 & June 7 will receive an additional \$1,000 in their 2nd quarter donation to their charitable partner
- Only posts made between 12:00 am EST on June 1 and 11:59 pm EST on June 7 will be counted
- Only one post per user allowed
- The winning community will be determined based on the number of people who post selfies, **NOT** the amount of glass recycled
- The winner will be notified the week after World Environment Day (week of 6/8)
- By posting, tagging O-I and including the designated hashtag, the user grants O-I permission to use the photo in internal and external communications (as stated in the promotional materials)
